Half a million couples will celebrate a destination wedding this year with Puerto Rico as one of the top frequently chosen locations.

Puerto Rico is located about 1,300 miles off the coast of Florida. The island is filled with an abundance of culture, historic buildings, towering mountains, rainforest, luscious white sandy beaches, and Las Vegas style casinos. It's no wonder why Puerto Rico is known as the "Island of Enchantment" and one of our Top Ten Destination Wedding Locations.

Home to some of the most beautiful beaches in the world, Puerto Rico is the perfect backdrop for a romantic wedding. Couples can marry on one of Puerto Rico's pristine beaches or in one of

the island's luxury hotels, Inns, resorts, or tropical mountain retreats.

While in Puerto Rico, couples can take a romantic walk around Fort San Felipe del Morro, a sixteenth-century citadel. The ocean view there is spectacular. If you continue toward Paseo de la Princesa, a stylish entry to Old San Juan, you will find shopping and nice cafés. Bring your appetite, the cuisine choices are abundant.

Looking for adventure? You can spend the night in Fajardo, known as the city that guards the sun of the Caribbean, and do a kayak trip to the bioluminescent bay. It is incredible! You begin kayaking along the ocean shore. From there, you will make your way through a mangrove until you reach a lagoon where you will experience an incredible sight—one you will remember for a lifetime.

If you are very adventurous, you may enjoy ziplining through the trees in Guaynabo located

in the northern coast of the island. Horse enthusiasts can ride the magnificent Paso Fino horses through a rain forest. Another rewarding and exciting experience is taking a swim in a waterfall located in the El Yunque tropical rain forest.

If you enjoy sailing or snorkeling, you can take day trips from Fajardo to Icaico and to Palomino or to Medio Mundo or Vieques. The ocean water is truly turquoise in color.

Venturing far from San Juan can bring you to Cabo Rojo. The lighthouse there is one of most romantic places on the planet to watch a sunset. Or, you can stroll together on the streets of the city of Ponce, known for its neoclassical buildings and facades and beautiful beaches.

You will need to prepare months in advance if you choose to marry in Puerto Rico. Make sure you give yourself ample time to submit the proper paperwork needed to complete your license requirements. As Puerto Rico is a self governing unincorporated territory of the United States, passports are not required for U.S. citizens. Foreign nationals, however, should have valid passports and visas.
