YSB 3 Designs Announces Wedding Sweepstakes Winner at the Cal Expo Dream Wedding Show

SACRAMENTO – The winner of the “YSB 3 Designs 2010 Destination Beach Wedding Sweepstakes” will be announced at the Cal Expo Dream Wedding Show on Sunday, February 28, 2010. The winner will receive a destination beach wedding at the picturesque Playa Del Sol Resort in Nuevo Vallarta, Mexico.

“This is the perfect opportunity for a bride-to-be to get the beach wedding of her dreams,” said YSB 3 Designs Director, Natasha Kishkovsky.

“We are excited the Playa del Sol Resort is providing their beautiful resort to make this dream a reality and for such an impressive photographer as Hardy Klahold to capture the momentous event with his photography”, said Kishkovsky.

To enter the sweepstakes, brides-to-be will spin the prize wheel for their chance to receive an official entry form available at the YSB 3 Designs exhibit booth from 11AM – 3PM at The Dream Wedding Show. A Grand Prize winner will then be selected in a random drawing to be held at the show following the 2:30 P.M. Bridal Fashion Show.

The YSB 3 Designs 2010 Destination Beach Wedding Sweepstakes prize package includes accommodations for four nights at the Playa del Sol Resort; a beach wedding ceremony; wedding planning, concept and design by YSB 3 Designs; and a Hardy Klahold Photography Signature Package.

Located in Nuevo Vallarta, known for its exquisite tropical climate, the five-star Playa del Sol Resort is located on the fabulous Flamingos Beach. The resort offers pristine warm waters with soft sandy beaches for momentous wedding ceremonies.

Hardy Klahold is an internationally experienced wedding photojournalist. Trained in Germany, he is an international award winning photojournalist. Klahold builds with his natural unobtrusive, documentary style memories of love, as he tells the story and captures the emotions.

YSB 3 Designs is Northern California’s premier wedding and event designing and planning resource. YSB 3 Designs’ team of certified planners and consultants provides one-of-a-kind Signature events for the selective client.
